ABSTRACT:

Organization Description: Harmony Adoptions of Tennessee, Inc. is a full service, non-profit 501(c)
(3) adoption agency dedicated to meeting the needs of children, families and the community. In addition to the traditional adoption services, home study assessment, placement of children, and post-placement supervision, Harmony offers a complete array of educational and supportive services to adoptive families, pregnant women, and the community.

*Use(s) of ACF Program Grant Funds:* The project proposes to provide marriage education and counseling services designed to strengthen relationships between parents and promote stability in adoptive families. Services will be provided to any family preparing to adopt, as well as to those families who have finalized an adoption through Tennessee's Department of Children's Services. Harmony Adoptions of Tennessee will utilize the curriculum and associated tools of the Prevention and Relationship Enhance Program (PREP) to train adoption professionals across the state. These professionals will then train adoptive families. Harmony will also utilize their existing, state-wide Adoption Support and Preservation program to provide on-going marriage counseling and comprehensive post-adoption services to families who complete the PREP training.
