ABSTRACT:

Organization Description: Camp Heartland Project, Inc. was founded in 1993 to provide respite summer recreational activities for children affecting by, and suffering from, HIV/AIDS. Over time, Camp Heartland Project, Inc. has expanded their support services by providing year round recreational programs as well as community education programs. Community education programs, such as Journey of Hope, provide children with HIV/AIDS the opportunity to share their personal stories by means of community presentations.

Use(s) of ACF Program Grant Funds: Camp Heartland will increase the number of youth served by Camp Heartland’s summer camping program from 340 in 2004 to 420 in 2005. The organization will also develop, implement, and assess an evaluative tool measuring the effect of recreational camping experiences on HIV/AIDS impacted youth, and produce and distribute model program materials through Camp Heartland Shares.
