ABSTRACT:

Organization Description: Pediatric AIDS/HIV Care, Inc. is a non-profit organization whose mission is to serve and support children and families in the metropolitan D.C. area living with HIV/AIDS. Support services include individual and group therapy for children, summer enrichment programs as well as after school and recreational programs throughout the school year.

Use(s) of ACF Program Grant Funds: Pediatric AIDS/HIV Care, Inc. will execute the Youth Space program. The program is a month long day camp that serves adolescents infected and/or directly affected by HIV/AIDS. The camp offers various activities including psycho educational and experiential learning, which presents pre-adolescents and adolescents with the opportunity to gain survival skills. The survival skills will assist campers as they progress towards leading healthy, productive lives.
