ABSTRACT:
Organization Description: The Family Center works with children, parents,
and caregivers to create a more secure future for
children whose parents have life-threatening
illnesses. The Family Center, Inc. was founded in
1994. The organization provides comprehensive
legal and social services, education, and
research. Additionally, it is one of the only
agencies in the United States that provides both
in-home comprehensive social and legal services
to families.

Use(s) of ACF Program Grant Funds: The Family Center, Inc. will continue to develop
a specialized program, Project Promise. This project
will provide intensive, family-based interventions
to grandparents and other family members who
are caring for the children of HIV-positive and/or
substance abusing women. The Project Promise
team will consist of a certified mediator, family
therapist, and a clinical supervisor. Each year this
team works with thirty of the most vulnerable
caregiver-headed families, a total of one hundred
and twenty individuals.
