**ABSTRACT:**
- **Organization Description:** Families First, Inc. is a non-profit organization that provides comprehensive treatment services to children and families throughout Northern and Central California.

**Use(s) of ACF Program Grant Funds:** The purpose of the project is to provide comprehensive support services for mothers, infants and young children from birth to age three, in order to prevent abandonment and promote permanency for children impacted by substance abuse. Further, the project will expand and enhance the successful outcomes based Shared Family Care (SFC) program in Contra Costa, California. Services include intensive case management, individualized financial, employment and parenting coaching, early childhood developmental assessments, substance abuse treatment, relapse prevention, housing assistance, and individualized after care services.
