**ABSTRACT:**
  
**Organization Description:** Spaulding for Children is a private, non-profit organization. The primary focus of the organization are to recruit and train adoptive families to provide permanent, stable homes for special needs children in foster care, as well children who have been in foster care for quite some time.

**Use(s) of ACF Program Grant Funds:** Spaulding for Children, Inc. will develop a program that will train designated staff of eligible health care centers in providing adoption information and referrals to pregnant women on an equal basis with all other courses of action included in nondirective counseling to pregnant women. The organization will collaborate with the Child Welfare League of America, The Adoption Information Center of Illinois, and others to create a national evidence -based, model training curriculum. The training curriculum will train up to 15,000 designated health center staff, and the information will be exchanged among national and local adoption agencies and health centers.
