Program Name: Child Welfare Services Training  
ACF Region: 2  
Congressional District Served: 2

ABSTRACT:

Organization Description: The Richard Stockton College of New Jersey, School of Social Work prepares students for generalist social work practice. The aim of the program is to provide students with the challenge and opportunity of better understanding human behavior in the context of the social environment.

Use(s) of ACF Program Grant Funds: In partnership with the New Jersey Office of Children's Services (OCS) a concentration in Child Welfare will be developed by Richard Stockton College of New Jersey, School of Social Work as well as increase internships in public child welfare. This will increase the number of graduates who possess specific competencies in child welfare practice, as well as generalist practice knowledge and skills. Graduates will be able to work with clients in a child welfare setting using a strengths-based empowerment perspective. The students work will be characterized by cultural competence, family centered and community based practice, enhanced critical thinking skills and strong assessment skills.
